Zombie Run: VR Experience App Setup Guide

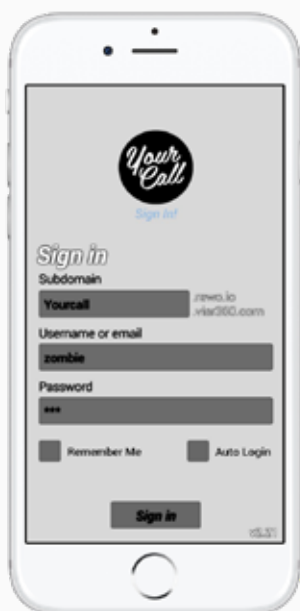

Step One

From your [iOS](#) or [Android](#) device, open the respective app store.

Search for 'rewo' and download the virtual player app.

Step Two

Open the app and enter the following information:

Company Name: yourcall
Username: zombie
Password: run

Step Three

Select the 'Zombie Run' Story.

Step Four

Click 'Download' and choose an appropriate resolution.

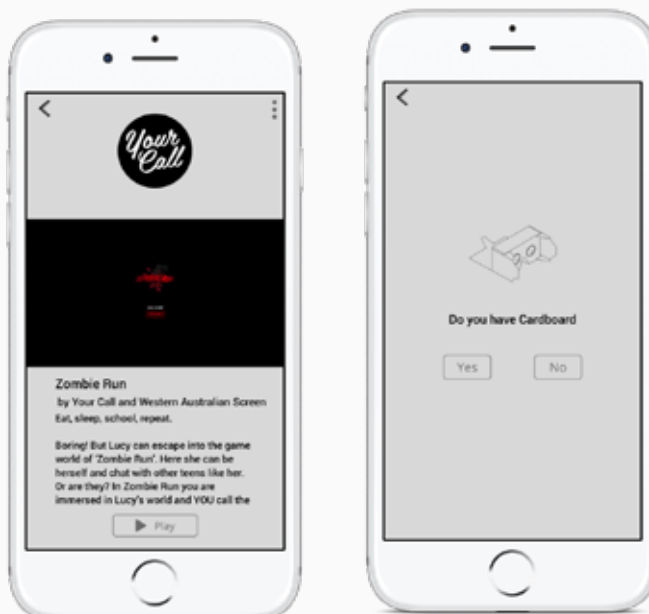

(we recommend downloading 720 or 1080 depending on your device size)

Step Five

Once downloaded, select play.

An infographic appears asking if you have Google Cardboard.

Step Six

If you select yes, rotate the phone into the landscape position and place into the Google Cardboard device, then experience the story in VR.
